SPRING 2023 (April, May, June)

From The President's Desk...

This is the last opportunity to address you as President of NAARVA through the *VOICE* Newsletter. It's been a journey!

My first Rally year as your NAARVA President, 2020, was derailed by Covid along with every member of our nation and throughout the world. A pandemic that continues to impact our families, communities, churches, and employment and developed a new "norm" for all aspects of lives, but through it all, NAARVA survived.

Congratulations to our Region Directors as they safely navigated the 2023 Rally Season. The annual rallies are a great opportunity to plan your recreational vehicle travels. Visiting cities, states, and national land-

marks and enjoying family and friends across the United States. Some of our families continue to struggle with the effects of the pandemic, illnesses, business loss, educational plans on hold, and grief that can stifle our forward movement. Let's always be ready to encourage one another when we can. Let's make our club, the regional and national rallies, the place to be when you want to relax and enjoy time on the beach or golf course, by the campfire, or cast a line to fish!

I have served NAARVA during my term to preserve and protect the legacy of NAARVA. I am a very proud member of NAARVA and how it has weathered the storm of change caused by the pandemic, how our members brushed aside the devastating effects of the loss

LOUISE GROGAN

that we experienced over the last three years, paid our dues, cleaned, repaired, and restored our recreational vehicles and got back on the road again!

Thank you, NAARVA members and Executive Board members, for allowing me the opportunity to serve this historic organization. The recreational vehicle industry owes you all a great amount of gratitude. Gratitude for continuing your support to NAARVA and the RV industry!

God Bless You all as you travel. I hope to see you at future NAARVA events as Barry and I turn our attention to the joy of a campfire; please come and say hey!

Best Regards,

Louise Grogan

NAARVA President -2019-2023

For President...

CHARLES E. BREEDLOVE

My Sisters and Brothers of NAARVA:

My name is Charles E Breedlove NAARVA (#94-3528) currently serving as the Southern Region Director. I am seeking election for the position of President of NAARVA.

I am a member of *Space Age RV Club* of Huntsville, Alabama. I have been a member of NAARVA and the Southern Region for eight years. I'm a past President and Vice President of *Space Age RV Club*. I also serve as Parliamentarian and Chairperson for the By-Laws for the Southern Region.

I retired from the US Army with over twenty year's of service and retired from the U.S. Postal Service with over twenty year's of service. I am a member of many Social Organizations and Clubs

where I serve as Vice President and other elected positions. Currently I am the President of the Roadrunners Corvette Club of Huntsville, Alabama and one of its founding members.

My goal will be to preserve the integrity of our great organization, increase our membership, and have a quarterly financial report sent to all members. I will also have every member get a copy of all approved minutes from all meetings from the Executive Board.

Another goal, if I'm elected as the next President with the permission of the members, is to sell the NAARVA Property at 614 Chipley Ave., Charlotte, NC. I will have a committee to report on property to buy that can accommodate office space and RV sites to the members.

I also want to see more sponsors added to our website. I'd like to inform all the members of NAARVA that there is a Commercial Account at Advance Auto Parts Store. You can go to any Advance Auto Parts Store in the U.S. and U.S. Territory to receive the Commercial Discount. All you have to do at checkout is to present your NAARVA dues card and Corporate Account number 1846086076 to the sale person to receive your discount. This is one Corporate Account I got for NAARVA and I'm working on other accounts. I have heard from members, "what is NAARVA doing for them?" This account will be added to the other accounts NAARVA has on its

webpage. Now we can tell all our members they can save money if they chose to use these Corporate Accounts that NAARVA has on its webpage.

If I am elected as the next President of NAARVA, every member will have a voice and be heard. I will support the Members-at-Large by letting them have a voice on the NAARVA Executive Board and all members will be treated with the same respect.

I'm asking you to VOTE for me to continue moving NAARVA forward. Thank you in advance for your Vote!

For 1st Vice President...

For 1st Vice President...

REV. JESSE BATTLE

Hello Fellow NAARVA Members,

Having spent the last few years observing the culture of NAARVA's leadership, including, but not limited to, the conduct and responsibilities of each of the executive offices and officers, I have observed that the responsibilities of the office of 1st Vice President has an essential financial impact on NAARVA and its membership. An example of such impact lies in the planning of the National Camp Rally. In accordance with the job description in the rally packet, the 1st Vice President is "in charge of the National Rally, along with the Rally Chairperson"; he/she is required to "go on site visits, along with the Rally Chairperson"; he/she is to "negotiate all contracts and bring (them) back to the President for approval and signature." In addition, Article II, Section 2 of our By-Laws states: "The 1st Vice President ... shall serve as National Camp Rally Coordinator; and additionally, shall serve as chairperson of the Rally Oversight Team..."

The office of 1st Vice President is most crucial to the rally cost which is passed on to NAARVA members. The lack of involvement in this process on the part of a 1st Vice President, who is experienced in handling such negotiations, is that the overall cost handed down to the membership could be considerably higher. In light of the aforementioned factors, I feel it absolutely essential that the person who fills the office of 1st Vice President be someone who is skilled in negotiating. Therefore, after extensive consideration I have decided to run for the office of 1st Vice President of this esteemed association.

A Biographical Sketch:

Jesse Battle is a 73-year-old retired bishop who spent most of his adult life as senior pastor in churches in Ohio, Michigan and Missouri. From 2001 until 2019, he served his denomination as bishop in Hawaii for eight years, and in Missouri for ten years. During his tenure as bishop, he was responsible for the training and development of local pastors, along with

diocese.

After longing for several years to own a recreational vehicle, Battle and his wife purchased his first RV (a Class A diesel) in 2012. They attended their first National RV Rally with the Family Motor Coach Association, held in Gillette, Wyoming. During the next FMCA rally, they learned about the *MO/KAN Roadrunners* and the National African-American RVers Association. They joined both groups shortly thereafter.

In addition to serving his local chapter as chaplain, Battle has served NAARVA as National Chaplain and parliamentarian during the past four years. He brings to NAARVA the unique experience of having successfully served in executive positions for nonprofit organizations throughout his career. For more than 40 years, he has served as a parliamentarian in both a teaching capacity and as a practicing parliamentarian.

He served as an executive officer, culminating as president, of the Hampton University Ministers' Conference, which for more than 100 years was regarded as one of America's most prestigious interdenominational conferences of African-American pastors.

Other areas of service included:

Board Member, National Urban League; Board Member, Clark County Family Services; NAARVA 1st Vice President; Member, Clark County Drug Control Council; Board Member, NAACP; Board Member, Opportunity Industrialization Centers (OIC); President, Church Development Institute; Vice President, Cross-Cultural Pastors' Association; Board Member, Aeon Bible College; President, Ecumenical Leadership Council of Missouri.

army airfield in South Korea, he was credited with stopping a major racial incident between Black, White, and Korean soldiers in the local village just outside of the post. Subsequently, he was appointed by the Commanding General of the U.S. Army Korean Support Command, to the position of Equal Rights Liaison Officer for the Command.

Battle holds a Master of Divinity (M.Div.) degree, and a Doctorate of Ministry (D.Min.) degree. In addition, he holds two honorary doctorates. He has been married for 32 years to Denise (Watt) Battle, a special education high school teacher. For Asst. Treasurer...

**ANDREA JEANNE "AJ"
JOHNSON-HARVEY**

I am submitting my application for the position of Assistant Treasurer. I have been a member of NAARVA for 17 years and have held positions at both the Regional and National levels. My experience in leadership positions began as Secretary of *The Group Camping Club*. I was then elected president and served until I was elected as Eastern Region Executive Secretary. After serving in that position for several terms, I was elected to the position of Assistant Director, where I served until I accepted an appointment on the National Executive Board as Assistant Financial Secretary. I was responsible for developing and presenting our membership with the first Annual Budget to be voted on and accepted by our membership. In 2021 I was appointed to the position in which I currently serve, responsible for all rally related financial transactions. I have dedicated time and energy to the success of NAARVA, and I seek to continue to do so as your elected Assistant Treasurer.

I have an extensive background in leadership, management, and administration. I began my career as a Legal Clerk in the New Jersey Army National Guard in 1981. I was commis-

sioned a Second Lieutenant in 1985 as an Intelligence Officer. Over the next several years I served in various intelligence assignments and completed several levels of military schooling. I began my active-duty career in 1997 at National Guard Bureau in Washington, DC. While on active duty my assignments included supervisory and managerial responsibilities for anywhere from 3 to 75 personnel in Washington, DC, Carlisle, PA, and Tampa, FL. In July 2007 I deployed to Afghanistan where I served on the NATO staff until my redeployment in August 2008. In 2009 I again deployed, this time to Baghdad, Iraq where I served for seven months. I returned to Washington, DC in 2010 and served in several leadership positions until my retirement in January of 2016 at the rank of Lieutenant Colonel

Shortly after my military retirement in 2016 my husband and I began to live and travel full-time in our RV, which we did for 5-1/2 years. We have criss-crossed the country several times and look forward to every new experience on our grand adventure. Although we no longer live full-time in our RV, we continue to camp with our club, *The Royal Campers*, attend Region and National Rallies, and frequently hit the road for a new adventure.

A Word From the Editor...

HERE WE GO!!!!

The dam has burst! After planning projecting, smoozing, and conjecturing we are now in full swing. Eastern Region completed their “Camping in the Golf Capital” Rally, Southern Region just pulled off their 17th Annual Rally, and the Central Region by the time of this printing has finished their “Ease on Down the Road” Rally in Hutchinson.

NAARVA is Rockin’ and Rollin’ and in full swing. Amidst all the Partying and Rallying we have the seriousness of the upcoming NAARVA National Executive Board election. Don’t forget to complete your ballots and submit them in time to meet or beat the July 24, 2023 postmark deadline. As we know that change is constant and inevitable it doesn’t release us from feeling the impact of acknowledging the change NAARVA will experience in the installation of a new Executive Board. Louise Grogan and the current Board has served NAARVA with integrity and pride. They have left NAARVA better prepared to meet the future.

In this edition of the *VOICE* we have the continuing presentation of the candidates running for the NAARVA Executive Board, recognition and chronicling of prior NAARVA scholarship winners, presentation of the accomplishments of regional club members, and our regular Chaplain’s Corner, and “Looking Ahead” entries. Yes, NAARVA is in full swing, but there is still much, much more to come!

Catching Up with Some of NAARVA's Scholarship Alumni

By Gwynne Toney, Contributor

In celebration of our 30th Anniversary, NAARVA would like to acknowledge recipients of its National Scholarship. The name was changed in 2019 to “*The Carolyn J. Buford Scholarship*”, to honor NAARVA’s 7th President who passed away on August 21, 2018.

Since its inception in 2006 the National NAARVA Scholarship Committee has awarded 65 scholarships to deserving students of NAARVA family members.

We are extremely proud of ALL of NAARVA’s Scholarship Alumni and their accomplishments, both in and out of the classroom. We are excited to follow these ambitious young men and women as they live out their purposes.

While some of our scholarship alumni are steeped in the collegiate life, our freshly minted and seasoned graduates have moved on to fascinating careers in industry, education, technology, law and beyond! NAARVA takes a peek into the lives of five of our alumni through a “where-are-they-now” format. Here they share their current status and their goals and aspirations for the future.

Kelsey Brown

Granddaughter of Alex L. and JoAnn Fitts; *Rocky Mountain RV Rollers, Central Region.*

Kelsey Brown was awarded the NAARVA Carolyn J. Buford Scholarship in 2022.

Kelsey attends Georgia Southern

University in Statesboro, Georgia, where she completed her freshman year in May. She is currently working on a Bachelor of Science in Human Development and Family Science. She is involved in a variety of campus organizations such as Campus Crusade for Christ, Delight Ministries, and the Child Life Organization. She will work for WinShape Camps as a Worship Leader over the summer, traveling to nine different communities across the United States and spreading the Gospel to children. Kelsey aspires to become a Child Life Specialist, and work in children’s hospitals helping children and families cope with the hospitalization process.

years I became an ICU travel nurse and care for people all across the United States. So far I have traveled to Roanoke, VA; Houston, TX; and Wilmington, NC.

Briana Guillory

Granddaughter of Sam and Hazel Stallcup; **Original Las Vegas Rolling Wheels, Western Region**

After graduation in 2016, I went on to teach AP Environmental Science in Newark, NJ. While that year was rewarding, I chose to pursue my Master of Public Health at Drexel University in Philadelphia, PA in community health and prevention, graduating in March 2020.

The pandemic opened the door to utilize my degree and work for a leading pharmaceutical company, Merck & Co., as a contractor. Within six months, I was promoted to a full-time employee as a study manager supporting non-interventional research studies. My aspiration led me to take an internal role as a project manager a year and half later, where I am currently working on the launch of a new product.

My passion for organization and desire to develop future leaders shepherd my journey of entrepreneurship, launch business, *Be Great By Design*, to provide high school and college students tools to enable future success in 2021. These tools consist of planners, 1:1 and group consultation sessions, and leadership training to students at various institutions. This endeavor led Colby College to write an article on me titled "Learning to Lead". <https://news.colby.edu/story/learning-to-lead/>

Personally, I purchased my first house right outside of Philadelphia in December 2022 and purchased my first car in March 2023.

After being awarded the NAARVA scholarship, I have accomplished many things and the opportunity provided my NAARVA has played a role in my accomplishments. Thank you again to the organization and my support system for supporting me throughout my journey.

Alexis P. Jackson (Walker-Dunham) Esq., Granddaughter of James and Pat Walker; **The Rocky**

Mountain Rollers, Central Region

Alexis was awarded the National NAARVA Scholarship in 2014.

Alexis graduated from The University of Denver, where she earned her BA in Political Science and Communication Studies, cum laude, 2018. She continued her grad studies at The University of Iowa College of Law, where she was awarded her JD, with distinction in 2022.

Alexis is currently a commercial real estate attorney at Faegre Drinker, in Denver, Colorado. She represents clients on a wide range of real estate matters, including acquisitions, dispositions, and leasing transactions. She also enjoys giving back to the community and providing pro-bono legal representation to the firm's pro-bono clients.

Steven Parson

Grandson of Barry and Louise Grogan; **California Cruisers, Western Region**

Hello! My name is Steven Parson, and I was a recipient of the NAARVA National Scholarship in the year 2020. This scholarship helped kickstart my college education at Pepperdine University where I studied Political Science. Since this was during the peak of the pandemic, all of my classes were held via Zoom. After finishing my first year of college at Pepperdine, I realized that Pepperdine was not the best fit for my college experience. I decided to transfer to the University of Southern California the following year and it was the best decision I could have made.

Currently, I am a rising senior at USC studying Philosophy, Politics, and Law with a minor in Business Law. Since transferring, I have been

able to take advantage of various opportunities and have excelled in the classroom as well. I have been on the Dean's List each semester at USC, and I have recently committed to a Summer Analyst position at Goldman Sachs.

I've been heavily involved with extracurriculars on campus as well, such as serving as a Director on the Environmental Student Assembly, writing for the renowned publication *The Daily Trojan*, and competing on our undergraduate Moot Court team.

Upon graduating from USC in Spring of 2024, I plan on enrolling in law school in pursuit of my Juris Doctorate to focus in either environmental law or corporate governance.

Antidotes to Fear

One of the greatest hits by the famed Broadway singer Frank Sinatra was “My Way”! He starts with a reflection of his life against the realization that he was nearing the end of life. Verse one laments, “And now, the end is near, and so I face the final curtain...” Verse two reminds us that no matter how impoverished or successful one’s life has been, we all have regrets. Sinatra says, “Regrets, I’ve had a few... “ He then goes on to say, “Yes, there were times, I’m sure you knew, when I bit off more than I could chew; but through it all, when there was doubt, I ate it up and spit it out... I’ve loved, I’ve laughed and cried; I’ve had my fill, my share of losing. And now, as tears subside, I find it all so amusing...”

While regrets are indeed a part of life, regrets are often the result of fear! Like Sinatra, I find it amusing that most of us are besieged with fear — in many cases unmanageable fear! I’ve counseled adults whose life’s ambitions were thwarted by unexplainable fear; dreams were unfulfilled; talents unrealized; goals missed; abilities untapped because people were too afraid to set aside their apprehensions and move forward towards their dreams. Fear is crippling! It robs the soul of satisfaction; life of peace and happiness! Fear is cruel; it ravishes one’s sense of independence! Fear is a form of mind-control, a form of mental programming and a weapon of psychological torture! In fact, fear is so devastating that Paul cautioned Timothy, his son in ministry, “*For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.*” (2 Timothy 1:7)

The six primary fears that rob us of our ability to live our lives to the fullest are: fear of failure, fear of criticism, fear of the unknown, fear of poverty, fear of being alone, and fear of sickness/death. In reference to the fear of death, I find it ironic that people who are afraid to die are so traumatized by the possibility of death that they are, in effect, also afraid to live! By this, I do not suggest that we live recklessly; however, we cannot allow the risk of what could happen to stop

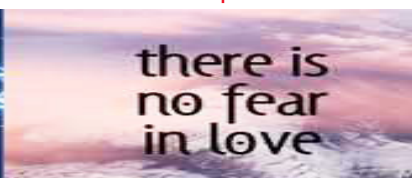

THE REV. JESSE BATTLE
National Chaplain, NAARVA
bishopjessebattle@gmail.com

us from doing what can happen!
FEAR MUST BE MANAGED!

The above referenced text gives the antidotes to fear. God bestows upon us three things necessary to manage fear in day-to-day living. He gives us the spirit of power, the spirit of love, and the spirit of a sound mind. First, it’s important to emphasize Paul’s use of the term “*the spirit of*” as we consider our God-given antidotes to fear! This suggests that not only do we have access to these gifts; but that they are intrinsically woven into our nature. We are given the ingredients to continue the production of these elements of protection. Being endowed with “*the spirit of*” denotes that those qualities necessary in forming these definitive elements are ingrained in our character, thought and attitudes. In other words, we have the stuff necessary to do the job!

The spirit of power is our first antidote to fear! The power to live without fear resides within us! We must remember that: “*(We) are of God ... and have overcome them: because greater is he that is in (us), than he that is in the world.*” (1 John 4:4). The power over fear that resides in us is greater than the power of fear that seeks to torment us! The spirit of love is our second antidote to fear because one does not fear what one loves! The Bible also teaches: “*There is no fear in love; but perfect love casteth out fear...*” (1 John 4:18) I suggest that when we learn to love God, to love people, and to love life, we will soon discover that fears will subside exponentially! Our final antidote to fear, the spirit of a sound mind, equips us to make decisions free of irrational fears. Our clarity of thought is inherent in every decision we make. Members of NAARVA, we are free to pursue our dreams. There need not be anything left on our bucket lists when at last we join the “Celestial RV Rollers” for that great RV campout in heaven with Jesus Christ Himself as our Wagon Master!

The Chaplain's Parting Words to the Members of NAARVA

By The Reverend Jesse Battle
National Chaplain

As NAARVA’s National Chaplain, appointed by Louise Grogan, the outgoing president, my tenure of office will expire on July 29, 2023, with the swearing in of NAARVA’s new president. As such, this is my final article for the NAARVA Voice. I have enjoyed shar-

ing my thoughts with my fellow NAARVA members during the past four years. I eagerly look forward to the thoughts of our new chaplain, once appointed by the incoming president.

I am proud to say that I have found NAARVA to be a vibrant and close-knit community that exemplifies the

spirit of unity. Founded in 1993, with the aim of fostering camaraderie, providing support, and promoting a love for RV travel among the African American community, NAARVA has successfully cultivated a strong sense of togetherness among its members.

The Chaplain's Parting Words to the Members of NAARVA

(Continued from page 9)

One of the key aspects of NAARVA's unity lies in the sense of belonging that flows from region to region, and from club to club. While African American RVers often face unique challenges and have specific interests and perspectives, NAARVA provides a safe space for members to relate to one another, share their stories, and support each other through their RVing journeys. This shared identity and understanding forge bonds of kinship and create a welcoming environment for all members.

Unity must always be the rallying cry of NAARVA's mission. Members from diverse backgrounds and experiences coming together, united by a strong passion for RVing and a shared desire to celebrate and preserve their culture and heritage while traversing the highways and byways of this great country. NAARVA serves as a platform for members to connect, share experiences, and build lasting relationships.

NAARVA's gatherings, be they national, regional or club level, serve to further reinforce unity among its members. The association organizes national rallies, promotes regional rallies and local club campouts where members can come together to enjoy the RV lifestyle and engage in activities that promote fellowship and cultural enrichment. These events serve as opportunities for members to forge connections, exchange travel tips, and celebrate their shared love for RVing.

Moreover, NAARVA encourages members to actively participate in the affairs of the association. Volunteer opportunities, leadership roles, and committee involvement allow members to play an active role in shaping the direction of NAARVA and making a positive impact on the direction of the association.

This inclusive approach fosters a sense of ownership and shared responsibility among members, thus strengthening the aforementioned unity.

NAARVA's emphasis on education

and mentorship also contributes to unity within the organization. The association provides resources and workshops to support members in their RVing journey. Experienced RVers often share their knowledge and expertise with newer members, creating a supportive network that fosters personal growth and strengthens the overall bond within the association. The resulting unity fostered by such networking is the cornerstone of our shared experience.

NAARVA's commitment to creating a sense of belonging, organizing events that promote fellowship, encouraging active participation, and fostering mentorship all contribute to the strong unity within the association. Through their shared love for RVing and a deep appreciation for African American culture, NAARVA members come together as a close-knit community, celebrating their shared experiences and forging lifelong connections.

SOUTHERN REGION

Greetings Southern Region,

I'd like to first thank our Host, *Merrimac Sams RV Club* for putting together a wonderful "A-MAY-ZING Spring Fling" here at Carolina Pines RV Resort, Conway, SC. This is our 17th Annual NAARVA Southern Region Rally, and we are glad to be rallying here together at this wonderful resort!

I also want to thank everyone who represents their Chapter/Club for attending the Region Camp Rally. I hope you all are enjoying all the planned scheduled activities put together by the host club. For a Region Camp Rally these scheduled activities are second to none. The Southern Region last Camp Rally was May of 2019, hosted by the *Georgia Easy Riders RV Club* in Atlanta Ga. It's been exactly four years since our last Camp Rally and what a joy it is to be back together again. As we near the end of a great

17th Annually Camp Rally, it's now time to put plans in motion for the 18th Annually Camp Rally at Lost Lagoon in El Campo, Texas. Be looking for the Rally Package before the end of 2023 year.

The last 12 months have been productive as we have had all hands-on deck with our executive board and I'm extremely appreciative of how we've worked together for the good of NAARVA and our Region. Our website is looking great, and we are experiencing great results from it. Through 'Constant Contact' we're

making sure that all members are informed. As always please let your president know if you are not receiving information via Constant Contact. Thanks to my Assistant Director, Venson, who has worked diligently on membership.

Your president is representing you and your club members and are held accountable for making sure that your voice is heard. So please be sure to read all correspondence from NAARVA and the region, so that you are well informed.

It is once again time for us to elect officers for the Executive Board of NAARVA for 2023-2025. Every member in Good Standing with all dues paid, will get a ballot to cast their vote for the candidates of their choice. If any part of your dues are not paid you will not be getting a ballot to cast a vote. The ballots were mailed out before the end of May 2023. You can go to the

The Western Region is working hard to present all NAARVA members an outstanding 30th Annual National Camp Rally. The Rally will take place at Golden Village Palms RV Resort in Hemet, CA. The dates are July 23-30, 2023. The theme is "NAARVA Then and Now, It's a Celebration". It's going to be time to celebrate our 30+ years of getting together, remembering where we started and looking at where we are now. I'm looking forward to seeing as many Southern Region members as possible at Sunny Golden Village Palms RV Resort for a great CELEBRATION!

Please join me in saluting our Southern Region Scholarship recipients, Ayanna Busby and Stephen Stoudemire. We wish them all the best in their future endeavors!

Finally, 2024 is a Southern Region election year. All elected Executive Board positions are up for election. All appointed positions will be appointed by the new Southern Region Director. In January 2024 we will open the nomination process to except candidates for all elected positions. If you qualify and want to fill anyone of these elected positions, please be sure to put in your nomination. Also, if you want to fill an appointed position, please let the new Director know of your interest. Please be sure to review the duties of each position in our Southern Region By-laws.

Let's continue to grow and be strong as an RV organization through mutual respect of one another and continuous support for the purpose of which we stand.

Remember ownership of a Recreational Vehicle is a privilege, but ownership of a Recreational Vehicle with our NAARVA Southern Region family is simply AWESOME!

Respectfully

Greetings from NAARVA Eastern Region!

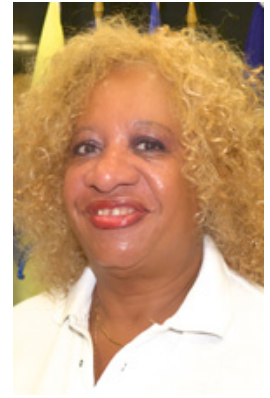

2023 REGIONAL RALLY

NAARVA Eastern Region held their Annual Camp Rally at Lakewood Camping Resort in Myrtle Beach, SC from May 11-14, 2023, with early admission commencing May 7-10 2023.

The rally was planned with the COVID-19 criteria in place, with meals distributed in closed containers, and with face mask and social distancing optional. There were 91 RV sites and six cottages registered for the rally and out of that number 19 were new members of NAARVA Eastern Region as well as first timers attending a rally. The Opening Ceremony kicked

off with our Master of Ceremony William (Bill) Christmas. The Presentation of Colors was by Carolina Forest HS NJ ROTC and with the

live vocal performance of The National Anthem sung by Preston Carter an employee of Lakewood Camping Re-

sort followed by the Negro National Anthem video of “Lift Ev’ry Voice and Sing” The Eastern Region flag ceremony was pre-ceeded with John King’s renovated Eastern Region’s flag stand which displayed colorful lights as well as a new flag stand in the shape of a recreational vehicle that was donated to The Eastern Region by *The Virginia Camping Cardinals*. The Flag Ceremony was conducted by Lisa King, Flag Coordinator for The Eastern Region who had youth, new members and first timers attending a rally carry and place the flags in their precise slots on the two flag stands.

Overall, the rally was a success as the resort had large 30/50 amp full-hook-up sites and plenty of amenities for the members to enjoy that included a beach, water park with slides and a lazy river, Indoor/outdoor pools, volleyball and basketball court and free rental of paddle boats and bicycles. The attendees had an enjoyable time playing the games at the rally such as card bingo, cake walk and the trash talking competitive Beanbag Baseball Tournament where Lisa King's team finally got their win. On Saturday evening Michael Terrell and Darius Shackleford put on such a fantastic night of entertainment with Lip Sync and Karaoke. Some of the members who participated in the event showed off their talent by dressing up as the person/group that they were lip singing or doing Karaoke to. We also had amazing live vocal entertainment performance by members of the Eastern Region - Denise Hamilton, Darius and Sharon Shackleford, who brought the house down with their awesome gospel and R & B performance.

We collected at our Worship Service \$510.00 and made a charitable monetary donation to the New Directions Family Shelter in Myrtle Beach, SC. Door Prizes were given out on Friday and Saturday with the help of youths calling out the winners as well as the big winner of the 50/50 who was overjoyed with their cash winning of \$500.00.
